NUMBER 24

**PRIDE OF THE FOGGY BOTTOM STRIKES AGAIN** . . . The Elba High School "Marching Tiger" Band captured the top ratings this past weekend at the Southeastern State Marching Band Festival in Troy. The "Marching Tigers" was the only band in Class C competition which made straight superior ratings in all four categories entered, which were - Drum Major, Color Guard, Majorette, and Band. Elba Band Director, Steve Thompson, said, "The band has done a tremendous job this year in both marching band competition and in supporting the Elba Tiger football team. I'm extremely proud of all the young people in the band, and the association we have had so far."

## VOCATIONAL CLASSES ARE SCHEDULED IN BROCKTON

Adult Vocational Education courses will be offered at the new Coffee County Area Vocational Center in New Brockton, beginning Tuesday, November 13. The classes will run until May, 1980, and will be open to any person 16 years of age or older who is NOT currently attending high school.

Courses available are as follows:  
BASIC CARPENTRY - Warren Pless, Instructor  
BASIC TYPING - Verneette Maddox, Instructor  
BASIC SMALL GASOLINE ENGINE REPAIR - Edgar O. Smith, Instructor

Each course will be taught on Tuesday nights with students receiving a total of 4 hours of instruction per week. In addition, there will be a \$10 fee payable at Registration. Registration will be held Tuesday night, November 13, at the beginning class, at 6:30 at the Vocational Center in New Brockton.

Persons who want to participate in the classes, but who cannot attend the registration should contact Letcher C. McNeill, at 894-6748.

## MONDAY HOLIDAY

County offices in the Elba courthouse will be closed Monday, November 12, in observance of Veterans Day. These include Probate Office, Tax Assessor, Tax Collector, and Circuit Clerk.

## BASKETBALL MEET SET

Recreation Director Dennis Smith has announced that a basketball meet will be held on Tuesday, November 13, at 7:00, for all persons interested in sponsoring a team in this year's City Basketball League.

The meeting will be held at the Recreation Center, and all teams must be represented.

## BURGLARY IS SOLVED

Elba Police Chief Max Rayborn reported the breaking of another of the recent burglaries. He said Lavelle Layton, age 18, had been arrested and charged with 2nd degree burglary, and buying and receiving stolen merchandise. Both charges stem from the loss of two speakers from Elba High School.

Rayborn said the speakers had been recovered.

## Law Requires Students Have Shot Record

Due to an amendment to the Compulsory School Immunization Law, all school children enrolled in public schools must have a certificate of immunization.

Certificates must be obtained by parent or legal guardian, and are available from either private physicians or County Health Departments.

Students are to turn in certificates to be turned in by December 14, 1979.

Grades 8 - 9 - 10 - 11 - certificates to be turned in by February 15, 1980.

Grades K - 1 - 2 - 3 - by April 15, 1980.

Homeroom teachers are to be responsible for checking to make sure each child turns in this certificate.

## Deadline Nears On Water Expansion

Officials of the Water and Electric Board and water system engineers are shown above reviewing the master plan for the planned extension of the Elba water system.

Studying the map and the list of people who have signed up and paid the \$20 deposit, the group is in the process of devising a plan to show Farmers Home Loan specialists the areas with the necessary number of potential users. This plan will comply with established rules and eliminate the areas where the necessary number of users does not exist.

Chairman Charles Hayes and Superintendent Cleo Hawkins emphasized that, at the regular meeting of the Board next Tuesday, they would review the entire project by "smoothing over" the problem areas so that loan officials wouldn't know of the two short pockets of problem areas.

They emphasized that the meeting they would continue to take applications up until the meeting Tuesday. However, after that time even in areas to be served, the cost will jump from the total of \$70 when water is at the customer's property line, to \$130 for the same service once it becomes an extra and not part of the original construction contract.

Mrs. Irene DeVaughan reports she has contacted every family personally, and those in the proposed area know their location on the line. Those who wish further information on the extension or the cost may call city hall in Elba during normal working hours. Phone 897-2333.

## Elba City Council Tackles Full Agenda

The Elba City Council met Tuesday night was probably the most attended meeting of the Elba Council, since the meetings concerning the Mayor Folsom - Chief Johnston problems of last year.

Reasoning of five acres on Smith Avenue for a mobile home park brought out a dozen protesters who live along Smith Avenue and in Riverview Subdivision. They felt the action would devalue their property and bring undesirable people into the area. Property owner, Roland Powell, assured the council and the protesters he owned as much or more property in the area, and wouldn't do anything to harm his or their values.

However, the Council voted not to rezone the property in view of the large amount of opposition. Powell stated he understood and didn't want to do anything himself that would offend his friends and neighbors.

The next item of business was a proposal by Edward Rush and his father, Chris Rush, to sell 39 acres of land to the city for \$27,000. The land is that originally designated as Sand Hills Subdivision and the site of a nursing home proposed several years ago. The land is near the city limits off Smith Avenue.

Mayor Robert Folsom asked thirty days to discuss the purchase and get approvals for

that going to one crew. He noted that he had observed several obvious problems with one of the crews, and had seen an Elba truck sitting at the landfill in New Brockton for 2 1/2 hours during the middle of the day.

The Council agreed there was a problem somewhere, and decided the street superintendent, who supervises the crews, would ride the entire route for a week with one truck and the next week with the other truck. Then if problems are discovered, they can be worked out and if personnel are the problem, something else can be worked out.

Folsom agreed, after suggesting delegating someone else to do the survey. He agreed that the superintendent has authority over the garbage men, and can make the necessary decision; therefore, his only concern was the street department during this time.

Chief Max Rayborn reported the resignation of Roy E. King from the police department, and the request of L.C. Cook for a four-month leave of absence for military training. King's resignation was accepted with a letter of appreciation and offer to return to the force in the future. Cook's leave was approved when Rayborn reported Bobby Boutwell would be available to fill in during this time.

Folsom stated that the last fire department was in the fire department before a request was made to the council for its purchase, and false information was given on the cost in relation to what other companies offered.

Folsom then recommended the Council get into the debate on the location of the county jail. He wanted the council to hire G. A. Lindsey to "get an injunction," but couldn't explain just where the whole situation was at this time.

Councilman Jimmy Wise noted that this was not the city's business, and he didn't feel they should get involved.

## Commission To Select Site For Enterprise Jail

The age-old Battle-Of-The-Courthouses took another turn last Friday morning in a special meeting of the Coffee County Commission. The 10 a.m. meeting in Enterprise had been called in accordance with law by Commission Chairman James L. Sawyer for the purpose of discussion of the recent ruling in the jail suit, courthouse conditions, Grand Jury mandate, etc., and the possible sources of funding any solution to the problem. Special invitations were extended to State Senator Wallace Miller and Representative Jimmy Holley who addressed the Commission and presented a jointly-prepared statement outlining their positions on the matter.

Commissioner Don Smith read a resolution calling for a new jail to be built in Enterprise in compliance with the recent court ruling by Judge Gamble. The resolution by Smith didn't address the problem of financing the project, size to be designed for amount of property to be purchased for construction of the jail. However, it did set a deadline of fifteen days for selection of the site; submission of plans for the site; and a solution to the problem within thirty days; and a report "at its next regular meeting in December" on methods of financing the cost of the project.

An amendment offered by Commissioner Rex Boutwell included the construction of a new jail in the Elba Division as part of the motion was voted down by Sawyer after Boutwell, Jack Horsaby and Gilmer Grant had voted in favor, while Smith, Bennie Beckham and Max Reeves voted against the amendment forcing the tie breaker by Sawyer.

The prepared statement from Miller and Holley clearly indicated they didn't favor state government making decisions for local government. It read, "Any solution to the problem that we might be asked to participate in would

need to be communicated and requested to us in the form of a resolution for our consideration and study; and our position concerning taxes is that the citizens of Coffee County must have the right to vote on any additional taxes."

Holley added a few comments, restating the joint stand in the prepared statement passed out to the commissioners, and added a personal opinion that the jail problem was the commissioners' problem and not a problem of the legislative delegation.

Folsom continued with state police officers, was hired to replace King.

Purchasing by the fire department brought some strong statements by Mayor Folsom who passed out information to councilmen showing several price quotes that would have saved several hundred dollars on fire hose recently purchased. The information was in direct conflict with statements attributed to Fire Chief Lloyd Driggers at the last meeting of the council. Councilmen took no action except to remind Folsom that all requests for purchases by all departments should be made to the city clerk and bids received before purchasing.

Councilmen took no action on Folsom's request for a raise to \$12,000 for Street Superintendent Bo Dunaway; extra duties for the Recreation Director; passing a leash law and tabling any action on building inspectors until Folsom was able to get more information on the requirements.

Approval was given on paying \$10,224 of expenses incurred on the hospital-nursing home expansion project. Councilman D.M. English abstained from voting.

Monthly bills totaling \$10,000 were approved and the council adjourned.

## BRAINSTORMS

WITH FERRIN COX

The Alabama Power, coal company and politician scandal could prove to be one of the largest news makers of the year. Already there have been federal indictments against some well-known people, and there are rumors of more to come, even before these words reach the public. Add to all this, the sudden resignation of Public Service Commission President Juanita McDaniel, and whispered "inside information" that she resigned in a deal with federal prosecutors to avoid indictment, and we have the makings for further distrust of statewide business and political leaders. If it all proves to be true, the results will not mean lower utility bills for Alabamians, but could play a part in slowing down the inevitable rate increases.

In Iran we again have problems with folks holding Americans hostage to achieve their frustrated goals. This time they want their former leader who is reportedly in New York for cancer treatment. All this will surely lead to a cutoff of oil to the U.S. and instant increases in the price at the gas pumps, in spite of the fact that oil in the pipeline takes months to get from Iran to the ultimate consumer.

The Elba band went to a marching contest in Troy Saturday and performed to a standing ovation from other bandsmen and bandparents. It is no wonder that after such a show of appreciation from fellow bands, the judges graded the Elba band with a bunch of superior ratings, and incidentally, the only band in its class to get the straight superior marks.

In case no one has heard, the Elba football team is doing quite well also. They ended the season with a 9-1 record and a big win over arch rival, Andalusia. This broke another Andalusia record, the first loss at home after 49 wins. Last year, you know, Elba broke And's perfect winning record, which happened to be an all-time state record also. It is always sweet to win almost anywhere, but just to play against folks like Andalusia is a pleasure, because they still believe sports are games to be enjoyed. They always show great respect for skill and training, even if the performance is by an opponent in the process of ending an era for the hometown boys.

The Elba Tigers will not know if they got shot at the state championship games until after the annual Andalusia-Opp game Friday night. We laughingly offered some Andalusia friends our great band, cheering squad and a player or two to insure this, but having second thoughts about the Opp coaches who we consider personal friends, we withdrew the offer. However, don't be surprised to see a lot of Coffee County tags in the parking lot of the Opp stadium Friday night... it is always a good game, and we do have some vested interest.

One more football note... A search for information in old records revealed that twenty years ago Elba had a similar football record, except the 9-1 record was reversed with a 1-9 tally after losing every game following the opening win against Brantley.

The Elba Water and Electric Board is reaching the deadline for signing up folks on the expanded water system. Next Tuesday they will look at the map with engineers and decide just what of the proposed system can be practical, and cut off the section where residents feel their wells will last another year or so. It is a matter of economics, and if long stretches are without users, it becomes too costly for those on down the road and the area must be cut out. Call and sign up now if you are in the area and haven't done so.

NOTICE - MR. BERT MORROW - Assume you wish to continue regular annuity on LSU game. But you will have to give me the point spread.

## REMEMBER TO RENEW YOUR Driver's License

Renewal notices are no longer being mailed. If your license expires this year and your birthday is this month, be sure to renew it this month. It's up to YOU to keep your license current.

Howell Heflin  
Reports to the people of Alabama

## Introduces Bills to Aid Pecan Growers and Timber Producers

I have introduced two bills which would give special tax relief for pecan growers and timber producers who were destroyed by Hurricane Frederic.

The measures would also apply to other fruit and nut tree producers who suffer losses due to fire, storm or other natural disaster.

Alabama is the third largest pecan producing state in the nation - and 80 percent of that crop is concentrated in hurricane ravaged Hale and Baldwin Counties.

Pecan groves, many that had been nurtured for decades, were decimated by hurricane winds which uprooted trees and blew away as many as 2,000 trees.

Some growers suffered as much as \$750,000 of uninsured economic losses, not including the value of the current year's crop. For these farmers, it was cost up to \$100,000 to replant trees and it will take at least 12 years for the trees to mature into healthy nut producers.

Many of our pecan growers face a grim future if we do not rally to their support in this time of severe crisis.

Alabama's timber producers, both large and small, face this same dismal future.

Entire tracts of timberland in South Alabama will have to be cleared and reforested. The losses to many of our timber owner-producers, many uninsured, are truly staggering.

The problem they face is that current tax laws prevent them from claiming a fair casualty loss, thus they can only recover a fraction of their real losses.

## State Of Alabama Lists Jobs

The Alabama State Personnel Department this week announced examinations for filling present vacancies in the following positions:

CETA Manpower Services Director (S18,005-\$22,971); Highway Safety Planner (S14,898-\$18,733); Energy Management Specialist I (S12,376-\$14,898); Energy Specialist II (S14,053-\$17,303); Energy Management Specialist III (S15,964-\$20,293); Nurse Practitioner I (S12,376-\$14,898); Nurse Practitioner II (S13,624-\$16,575); Nurse Midwife II (S14,898-\$18,733); State Trooper Cadet (S10,127-\$12,376) (Closing date 11/15/79).

Full information and application forms may be obtained from the State Personnel Department at Montgomery or from any local office of the State Employment Service. Applications should be filed by November 19, 1979. \*These positions will be open until further notice.

"When you're sick or hurt, I can give you some old-fashioned attention!"

## SENIOR SPOTLIGHT MR. ROY DUNCAN

MR. ROY DUNCAN

This week in the Senior Spotlight, we're going to meet a gentleman for a change. Since our ladies at the nursing home outnumber our men, it is seldom we get to visit a gentleman; but, occasionally we do get an opportunity to do so, and this happens to be one of those occasions.

So, without further ado, let us introduce Mr. Roy Duncan to you.

Mr. Roy was born August 11, 1915, in Crenshaw County. He is the son of Hamilton Duncan, who was a farmer, and Jessie Nance Duncan, a housewife.

He has two sisters - Mrs. Q. V. Messick, who makes her home in Tampa, Florida; Mrs. Bonnie Hudson, a resident of Brantley; and one brother, Mr. Aubrey Duncan, who lives in Clearmont, Florida.

Mr. Roy married Miss Claude Bell Hudson, who was born around 1915, in Crenshaw County. She has a pleasant countenance, a shock of thick, wavy, grey hair, and prominent grey eyebrows.

Mr. Roy has several brothers and sisters. They are: Sammy, Albert, Bascom, Aubrey, Frederick, Estelle, Lois and Thomas. With the exception of a sister living in Dothan and a brother who lives in Petrey, the remaining brothers and sisters live in and around the communities of Opp and Brantley.

Mr. Roy passed away

Hudson, Erma Morris, Ella Morgan, O. G. Boswell, Lamar Kilgus, Gerald Johnson, Jessie Black, Sharon Arnold.

Those discharged during the same period include: Tishie Capps, Mary F. Stephenson, Jerry McMillan, Nickson Gaines, Charlotte McLendon, James E. Bryant, Ricky Peterson, Susan Jackson, James E. Jones, Janet Grant, Georgeanne Gibson, Butch Flowers, Roy Duncan, Charles Moss, Elmer Chancellor, Kathy Parks, Willie Godwin, Foye Roberts, Vera Lee Brown, Mary Flowers, Thomas J. Wright, Pamela Wilkerson, Harry Driggers, Wynell Bradshaw, Wallace Rushing, Ross Gifford, Glen Holcomb, Ralph Medley, Jr., Marjorie Harrison, Olie Farris, Pinnell Siler, Linda Vaughan, Ronnie Culver, Eloise Goosby, Smith Marshall, Kimberly Goodson, Elizabeth Fuller, Steve Hudson, Betty Truitt, Sharon Golden.

Persons admitted to Elba General Hospital during the period of October 30 through November 5 are as follows:

Florence Harper, Eloise Goosby, Susan Jackson, Ricky Peterson, Mary Flowers, Thomas J. Wright, Pam Wilkerson, Wallace Rushing, Frances Eddins, Harry Driggers, Donna Johnson, Elsieabeth Fuller, Foye Roberts, Pinnell Siler, Lucille Hudson, Nickson Gaines, Wynell Bradshaw, Elmer Goodson, Georgeanne Gibson, Betty Truitt, Kimberly Goodson, Olie Farris, Eunice Crawley, Tammy Bryan, Ralph Medley, Jr., Elmer Watkins, Malcolm Smith, Sharon Golden, Gregal, John Waddell, Harrellson, Mary Taylor, Donnie Hall, Ennis Adkins, Madge Mills, John Waddell, Steve Hudson, Linda Taylor, Veneria

Hint to consumers from the Better Business Bureau: Ask a firm for references - bank, suppliers, trade creditors and satisfied customers.

We hope that you have been watching with great interest and anticipation as our new building is erected.

NOTICE OF COURT SALE OF REALTY

The following property is for sale by the Trustee in Bankruptcy, Federal District Court, Montgomery, Alabama: Approximately three (3) acres of land lying at the intersection of Hwy. 231 North of Troy and Briar Hill Road, one (1) store building known as "Mamie's Bar-B-Q House and Han-D-Foods" and all restaurant equipment and inventory. Property was operated daily as a going business until closed Sept. 30, 1979 upon order of the Trustee. For details of the sale contact T. Timothy Reynolds, Attorney for the Trustee, GIBSON, BARR & REYNOLDS, Box 488, Troy, Alabama 36081.

(205) 566-1991

In March of 1960.

Mr. Duncan's children are: Raymond Duncan, who is married to the former Edna Chandler of Brantley; he is employed with Elba Sand and Gravel, and he and Edna are the parents of two children, and make their home in Elba.

Charles is Mr. Roy's second son. He is a resident of Tampa, Florida, and the father of four children.

The third son is Randall, who is now deceased. Until his death, he resided in Tampa. He was married to the former Lily Pearl Gay of Covington County, and they had one child.

Shirley D. Richards is married to Dorman Richards, who is a resident of the Burnout Community. He is retired from the Army, and they are residents of Killeen, Texas. Shirley is employed in the PX at Ft. Hood. They are the parents of two daughters.

Louise D. Beck is married to Randolph, a native of Pine Level. She is the daughter of Mr. Charles Hudson, and she and Louise have three children.

Margaret D. Smith is the wife of Hollis Smith, who hails from the community of Pine Level. He is employed with Elba Pallet, and Margaret works at Bill's Dollar Store. They are the parents of four daughters.

Jerry is the seventh child, and works at Dorsey's. He is married to the former Sheila Bryant of the Bullock Community. She has a pleasant countenance, a shock of thick, wavy, grey hair, and prominent grey eyebrows.

Robert Duncan lives in Elba and is an employee of Dorsey Trailers. He and his wife, the former Dianne Smith, have one child. Diane works at Kleinert's.

Donald Ray Duncan lives near Burdette's store, and is a farmer. His wife's name is June.

Carolyn (Mrs. Rex) Bryan is employed with Kleinert's and Rex works at Nasco. They

have one child.

From the above, Mr. Roy has 20 grandchildren and one great grandchild. He does not have any great-grandchildren and great-grandchildren and loves them dearly. They lovingly call him "Granddaddy."

Margaret remembers her father as being "kind of strict" - well, you know, just like an average parent. She also said, "Daddy farmed and stayed on at home with the younger children - the youngest being six years old when Mother died; and then when he became disabled, about 10 years ago, he lived in the homes of all his children."

She remembers her father as a "big-boned man, who, in his prime, weighed around 210 pounds; however, due to ill health, has lost quite a bit of weight."

Mr. Roy likes any kind of seafood and fish, but ESPECIALLY catfish. He is really quite fond of catfish.

Mr. Roy's hobbies were fishing and gardening. He also enjoyed playing dominoes and rummy. He enjoyed watching television, and especially the wrestling contests on television.

Mr. Roy was a resident of the Laverne Nursing Home, approximately three months, until his transfer to the Elba Nursing Home in May of this year. His roommate is Mr. Foley.

Hope you enjoyed meeting a southern gentleman, Mr. Roy Duncan - a man who has worked hard in his lifetime, and who has reared a large family of fine children, instilling in them HIS OWN virtues of compassion, kindness, honesty, and being unafraid of hard work.

Visit the nursing home SOON, won't you? The holiday season is soon approaching, and so let's remember our Senior Citizens who have done SO much for our community and country during their productive lifetimes, and NOW, during OUR lifetimes, let US remember THEM during this special time of year, and visit with them - Okay?

Carolyn (Mrs. Rex) Bryan is employed with Kleinert's and Rex works at Nasco. They

We have the largest selections of ladies long coats (all weather & dress), ladies sweaters, men's sweaters and jackets in this area.

Career College and Finishing School in Atlanta, Georgia, where she received her diploma. Later she attended the University of Montevallo, where she received her B.S. Degree with a major in vocational Home Economics, and a minor in art.

Ms. Smith did her practice teaching at Calera High School in Calera, Alabama and has taught at Zion Chapel for five years.

### The Journalism Class Has Many Duties

By Rhonda Hussey and Donna Rugg

The Journalism Class is made up of juniors and seniors. Besides producing the yearbook, they also write the articles for the newspaper and present the annual Beauty Pageant.

The yearbook is a planned process in which each section is to be turned in at definite dates. The advertising section is one of the first sections completed. As all the other sections are completed they are sent to the publishing company for publication. The staff has also set the dates on which pictures will be taken.

Each week the ZC Newspaper contains stories written by different members of the staff. Stories are usually assigned to the students on

### Competency Education For Alabama

By Lisa Ammons

Basic Competency Education (BCE) began over two years ago with the selection of the Committee of one hundred following a resolution of the State Board of Education, April 1977. This committee is composed of fifty educators and fifty lay citizens.

The committee of one hundred and its subcommittees worked for more than a year to develop a plan for BCE in Alabama, which was approved by the State Board in July 1978. It was presented to the public for review and refinement through eight regional meetings in the summer of 1978.

The Standards and Competencies subcommittee developed minimal skills lists in reading, language arts, and mathematics at the third, sixth, and ninth grade levels. These lists went through an intensive screening process by teachers and administrators throughout the state. Seven local school systems were selected to pilot the competency program. They were Etowah, Pickens, and Pike counties; Andalusia, Decatur, Dothan and Jasper cities.

A special task force composed mainly of classroom teachers developed the competency tests. These tests will be administered to third, sixth, and ninth grade students in the pilot systems in October 1979.

The state will require that local school systems (1) guarantee that all students are taught all the skills; (2) administer the state competency tests each year; (3) provide remediation for students who do not demonstrate mastery of skills; and (4) re-test each student who has been provided remediation. The local school systems will continue to have the autonomy of making decisions on where the skills are taught, methods of teaching, and remedial procedures.

Tests results will be used only for determining mastery or non-mastery of skills by students. Schools, school systems, and school personnel are not to be evaluated or compared on the basis of the test results. Promotion-retention decisions remain at the school and system level.

The State Department of Education will provide assistance to local school systems in implementing BCE plans on a needs basis. Local school systems will be allowed to adopt required skills and testing to meet their own needs over and above state requirements.

All school systems in the state will implement the BCE program in September 1979. They will administer competency tests to third, sixth, and ninth grade students in the late spring or early fall of 1980. Students identified for Special Education classes will not be required to take competency tests.

Competency testing for high school graduation will not be implemented before 1981.

### Guess Who

Can you guess who this might be? About hunting what you say, a fan he must surely be! With his sidekick Mike, You might find him any day.

### MRS. HODGE'S JOB

Are you wondering who the red-haired lady in Mrs. Sanders' office is? Well, meet Pat Hodge.

Mrs. Hodge's duties at Zion Chapel consist of book-keeping for the luncheon, selling lunch tickets, and keeping financial records.

She is employed by the State of Alabama under the State Child Nutrition Program.

### Junior Rebels Lose To Gamecocks

By Kim Leverett

The Junior Rebels dropped their October 23 game to New Brockton. It was a very even, tough game as evidenced by the two game goes into the scorebook at the end of regulation play. New Brockton finally put it all together in overtime to whip the Rebels 6-0.

Both defended ruled as neither team really threatened to score in the first half. New

which provides the various lunch programs for the school. Mrs. Hodge is very active in the Quarterback Club and in the Band Boosters.

She has two children-Chris, who is in the sixth grade and Jason, who is in the fourth grade. These boys are active in the band and in little league football.

### A Statistician's Role

By Suzanne Sanders and Kathy Sawyer

Spectators often wonder why there are three extra people on the football field during each halfgame. These "extras" who are always "running" from end zone to end zone just happen to be statisticians.

From personal viewpoints we've learned that a statistician's job is not as simple as it may seem. It's not easy to keep your eyes on the game while your hands are busy writing statistics.

Suzanne Sanders and Ray Marler, who keep offensive stats for both teams, record all yardage gained or lost, carries of the ball, and penalties made. They also keep up with the passes received and fumbles recovered.

Kathy Sawyer, our defensive statistician, records each tackle made by the Rebel defense. Can you imagine trying to get the number of each football player when all twenty-two players are getting up from one pile?

Being a statistician is a very challenging but rewarding position. The most important reward is knowing that you can help strengthen the defense by band and father. We are especially grateful to the doctors and nurses at Elba General Hospital for their help and thoughtfulness.

### CARD OF THANKS

We, the family of Mr. John M. White, would like to thank everyone for their love and kindness shown during the illness and death of our husband and father. We are especially grateful to the doctors and nurses at Elba General Hospital for their help and thoughtfulness.

MRS. ESTELLE WHITE  
JOHN E. WHITE  
11-8-1c

### ZC Annual Fall Carnival Success

By Mary Davis

On Tuesday night, October 30, Zion Chapel held its annual fall carnival. The carnival began at 6:00. The activities included: a fishpond, a wheel-of-fortune, a dart throw, a telling, sweet shop, and a musical show. All activities were 25 cents. Those in charge of all the activities were: Mrs. Storey, Mrs. Refeggee, Mrs. Johnson, Mrs. Myers, Mrs. Taylor, Mrs. Sheffield, Mrs. Lowery, Miss Smith, Mrs. Dyess, and Mrs. Stinson.

After all these activities, if you were hungry, you could have come by the luncheon and Mrs. Shirley Dean would have seen that you were fed. Also, the parents of the Harvest King and Queen candidates sold cakes, cookies, drinks, etc.

After the carnival there was the choosing of the 1979-80 Harvest King and Queen. The winners were: Krista Dyess-sixth grade and Ray Davis-first grade. The entertainment was provided by Mr. Mike Lindsey.

### Library Council Meets Thursday

The Elba High School Library Council had its second meeting of the 1979-80 school year Thursday morning, October 25, in the high school library.

Officers were elected for the current school year. They are: President - Darlene Moore; Vice-President - Tammy Robison; Secretary - Delores Kelley; Treasurer - Calvin Carpenter.

Members were reminded of club dues which are to be paid before the next regularly scheduled meeting of the club. Twenty-four members attended the meeting.

### Applying For A Social Security Card

There have been significant changes regarding information and evidence required to obtain social security number cards. Please read the following information before submitting your application for a number.

ALL applicants who have NEVER had a social security number MUST submit evidence of AGE, IDENTITY, AND CITIZENSHIP.

A birth certificate is used to establish age and citizenship, BUT AN ADDITIONAL document is needed to establish identity.

For example: State ID card, school record card, vaccination record, school record, school ID card, hospital record, Girl or Boy Scout record, Church membership record, Welfare Case record, insurance policy.

So, please submit a certified birth record PLUS one or more of the above-named documents.

The documents submitted must be original or certified copies prepared by the agency who issued it. PHOTOCOPIES WILL NOT BE ACCEPTED.

Necessary information may be sent or carried to the Social Security Office at 204 N. Oates St., P. O. Box 7046, Dothan, AL 36024, or your nearest social security office.

### Vica Spotlight

The EHS VICA Club will be featuring each week a student who participates in the club and excels in many goals of the VICA program.

This week's spotlight features a senior, Mike Marler.

Mike is president of the VICA Club and participates in all activities sponsored by the club. He is the son of Mr. and Mrs. Carl Marler.

Mike, working under the co-op program, is presently employed at Dorsey Trailers of Elba.

One of the reasons Mike joined the VICA Club is "because it shows responsibility and helps you to get along with your fellow workers."

### Your New Cotton States Agent in Elba

Cotton States has been protecting people with insurance in Alabama for some time now.

We're pleased to announce the expansion of our services to include the Elba area with the appointment of Hulon Sconyers as our agent.

Hulon is an experienced insurance professional. He's got 14 years of insurance experience to back him up.

Experience is only one of the reasons Cotton States chose Hulon Sconyers to represent the Elba area.

Stop by and talk with him about your present insurance and your plans for the future.

You can be sure he'll be there when you need him.

## Oh God, Forgive Me When I Whine

Today, upon a bus, I saw a lovely girl with golden hair. I envied her, she seemed so gay, and I wished I were as fair.

When suddenly she rose to leave, I saw her hobble down the aisle.

She had one leg, she wore a crutch, and as she passed, a smile.

Oh God, forgive me when I whine  
I have two legs, the world is mine.

Then I stopped to buy some sweets  
We talked a while, if I were late, 'twould do no harm  
But as I turned to go, he said, "Thank you, sir, you've been so kind."

"You see," he said, "I'm blind."

Oh God, forgive me when I whine  
I have two eyes, the world is mine.

Later, when walking down the street I saw a child with eyes of blue  
But he stood and watched the others play  
It seemed he knew not what to do  
I stopped a while, then I said, "Why don't you join the others, dear?"

But he looked straight ahead without a word.  
Then I knew - he couldn't hear.

Oh God, forgive me when I whine  
I have two ears, the world is mine.

With legs to take me where I'd go  
With eyes to watch the sunset's glow  
With ears to hear what I should know  
And a chance to learn, and earn, and serve, and grow.

Oh God, forgive me when I whine,  
I'm blessed indeed, the world is mine.  
--AUTHOR UNKNOWN

### David Morrow Named To Merit Program

David Morrow, a senior at Elba High School, has been commended to the National Merit Scholarship program.

David received this commendation in recognition of outstanding performance on the PSAT/NMSQT, the qualifying test for the program that was administered nationwide to high school juniors in October of 1978.

### Adult Blueprint Class Offered

The Elba High School Vocational Department will offer an adult course in Blueprint Reading beginning Tuesday, November 13th, at 6:00 p.m. at the Vocational Building. All interested persons should contact Philip Scarborough at 897-6617 or David Stokes at 897-5533.

### Card Of Thanks

My family and I would like to express our appreciation to Doctors Santa Rosa and Boyce, Elba General Hospital, Rescue Squad, Lloyd Driggers, and each of you for your kindness and concern during my recent illness. Thank you so much for the phone calls, cards, flowers, gifts, and especially for your prayers.

We love you and may God richly bless each one of you is our prayer.

BY: REV. ED HEINKE  
ELBA FIRST METHODIST

Practically everyone I know has a burning desire to be successful. The football teams all go to be number one, to win the high school playoffs, or to go to a college bowl game. The businessman or the professional wants to be a success. The woman wants to be a successful wife and mother, and often to successfully hold down a job outside the home besides. How do we become successful, and do we really know what success means?

Success is usually thought of in materialistic terms. We measure our success by the number of things we have, or the amount of influence we have over people. There are

many who will tell us how they think we should achieve success. A popular book is entitled DRESS FOR SUCCESS. We are constantly advised to wear certain clothes, knowing who you are. Paul had a certain toothpaste and a certain deodorant, fight dandruff with our shampoo, and supply our children with the right education and cultural advantages.

There is some measure of truth to this approach. We ought to be careful how we look and smell and talk and act if we would be happy and socially acceptable in life. But this kind of success does not always supply our deepest longings. Paul should have

been the most successful man of his day. He had a good education, and the best post-graduate training of Jewish Law. He was a deeply religious man, and was practically blameless in keeping the law. But Philippians 3 shows us that he counted all his attainments as loss for Christ. Social success was little more than trash for him, for he had learned of a greater kind of success.

Real success comes, not from what you have or what you are able to do, but from what you are. Paul had a vision of the shed blood of Jesus Christ. He came to see that the greatest possession is not material goods or the applause of men, but being a born-again child of God and having eternal life.

Paul was ready to lay aside all worldly gain in order to pursue real success. "That I may win Christ and be found in him." This is the goal we should set for our lives. And how can we gain this real success?

We should read the Bible. "If all else fails, read the Bible." This applies not only to household appliances, but to life. And the Bible is our direct line to God.

Pray daily. We need to pray not only for what we want, but in order to open our lives to the searching, cleansing, healing light of God.

Commit ourselves to service. I once heard a preacher say, "What will it matter that you were here? After you have been dead a few years, will there be anything left on earth that shows you cared about man's needs and God's kingdom?"

Be filled with and led by the Holy Spirit. Paul's constant prayer was to be found in Christ. How do we become a part of Christ's body and remain in Christ? It is as we allow the Holy Spirit to take us over and make us over. The Holy Spirit can transform us and make us what God wants us to be. Only then will we have the success God desires for our lives.

THIRTY YEARS AGO  
NOVEMBER 10, 1949

Charles William McKenzie, age 12, was the winner of the portable color TV at the Elba Pay Tire Store last Saturday.

Holiday Bazaar At Elba Assembly  
The Elba First Assembly of God will hold a Bazaar this Saturday, November 10, from 9 a.m. to 4 p.m. at the church on Highland Drive.

Items to be offered include: Tree Ornaments, Home Decorations, Canned Goods, Plants, Crocheted Items, Skirts, Artwork of all kinds, Table arrangements, Cross-Stitch, Burlap plaques, Dried arrangements, Purses, Napkin Rings. Everyone is welcome.

Mini-Bazaar  
The retired Senior Citizens (Special Persons) of the Elba United Methodist Church will have a Mini-Bazaar Thursday, November 15, from 1 to 4 p.m. in the fellowship hall of the church.

Youth Service To Be Held At Taylor Hill  
There will be a special Youth Service at the Taylor Hill Baptist Church Friday night, November 9, beginning at 6 o'clock.

Whitewater GA's Attend Happening  
The girls in Action from Whitewater Baptist Church attended a Handbook Happening on October 27, 1979, at Hillcrest Baptist Church in Enterprise. Special guest speaker was Mrs. Fred Anderson, missionary to Italy for 15 years.

The girls enjoyed a group study of the GA handbook with girls from churches all over the county.

After the study, the girls were shown slides taken by Mrs. Anderson, and memorabilia from her stay there. They were then invited to ask questions, and to have punch and cookies.

Those attending were: Pam Windham, Lorie Fudge, Melaine Brown, Gena Brown, Cynthia White, Debra Lee, GA Leader, and Kathy Reeves, group secretary.

The powerful Elba Tigers stunned the Andalusia Bulldogs on their homecoming Friday night 20-6.

Elba will soon have a nice new football stadium if Leroy Miller and his "committee of ten" have their way with it. They have plans, estimated cost and are collecting money to install pre-treated concrete seats on the home side of the football field.

Cheering on the famed Kingston Bulldogs basketball team are: Ken Pierce, Debbie Bess, Judy Fuller, Sheila Carnley, Pat Hester and Leah Jones. The girls are sporting bright new orange and blue uniforms made by the mother of one of the girls. Their shoes are blue and white.

Look: Elba Is Growing - New Gym at Elba High; Hospital Expansion; New Kleinfert's Plant Has Started.

Service News: T-Sgt. Johnny E. Miller, USAF, will leave November 23 for a year's tour of duty in Vietnam. He is the son of Mr. and Mrs. Leroy Miller and is married to the former Madelyn Brunson, daughter of Mr. and Mrs. B. Brunson, all of Elba.

USAF Tech. Sgt. Lamy G. Grimes, son of Mr. and Mrs. J.B. Grimes, Rt. 4, Elba, has arrived for duty at Niagara Falls International Airport, New York. He previously served at DaNang AB, Vietnam, and is a veteran of the Korean War. His wife is the former Mary E. Brunson.

Women's Page

Miss Ginnella Cast In "Carousel"

Teresa Ginnella, daughter of Mr. and Mrs. Terry E. Ginnella of Elba has been cast in the Chorus for the Homecoming musical, "Carousel," to be presented November 9, 10, at Freed-Hardeman College.

The production, directed by Henry A. McDaniel, is the first of four productions this year by the Department of Communications at the college. A full-scale, 15 foot diameter carousel will be featured as a part of the large set to be assembled on main stage.

The Rogers and Hammerstein classic will highlight "Homecoming '79," which has as its central theme, "Carousel-Memories and Dreams."

Freed-Hardeman College is a fully accredited senior, Christian college located in Henderson, Tennessee.

Miss Sally Bentley, student at Alabama College, Montevallo, was here Sunday and Monday on account of the death of her grandmother, Mrs. Ida E. Bentley, in Laverne.

Mrs. Jake Morrow entertained a group of little friends in her home last Friday afternoon, the occasion honoring the ninth birthday of her son, Jake Luther Morrow.

Miss Killingsworth to Marry Mr. Reeder

Mr. and Mrs. Travis Killingsworth of New Hope, announce the engagement of their daughter, Lynn, to Steven Reeder, son of Mr. and Mrs. Glenn Reeder of New Hope.

The bride-elect is a graduate of Pike County School in Troy. She is presently employed by Bob's Feed Mill, Inc., in Brundidge, and attending Enterprise State Junior College.

Her maternal grandparents are Mr. and Mrs. Anglin Pittman of New Hope. Her paternal grandparents are the late Mrs. Cora Killingsworth of New Hope.

Three-In-One Club  
Mrs. L. P. Morrow and Mrs. Pauline Allen entertained the Three-In-One Study Club on November 1, in the home of Mrs. Morrow. A delicious and attractive Thanksgiving dinner was served to members and guests, Mr. Holliman Taylor.

The president, Mrs. S. F. Carnley, introduced the speaker, who is with the Service Office Division of Veterans Affairs in the States of Elba. He aptly explained and discussed changes in the Veterans program in Alabama.

Members present were Mrs. S. F. Carnley, Miss Gladys Clark, Mrs. James Engle, Mrs. Eleanore Lee, Mrs. R. H. Lee, Mrs. Nellie Martin, Mrs. L. Cecil Prescott, Mrs. Mayo Prescott, Mrs. Sam Sawyer, Mrs. Judson Vaughn, Mrs. E.M. Warr and the hostesses.

As the guests left they were given a bag of party goodies.

Large Ladies have no trouble finding fit and fashion in Tops, Pants, Dresses, Skirts, Under, Fashions, etc., etc.

Dresses 14" - 60" Tops 36" - 52" Pants 30" - 48"

Great Selection - Affordable Prices

## The Pressbox

By Ricky Malars Sports Editor

Who says it's not as sweet the second time around? Elba's big win over Andalusia last Friday night had to be one of the most exciting games in the history of Elba High football, and it was without a doubt a game I'll never forget. All the daily newspapers had built Andalusia up as a spoiler, and stated how Coach Sharpe's team could knock us out of state. However, everybody picked the spoiler to win, and then didn't call it an upset when we won! I'll admit that Andalusia is having an off year for them, but when a bunch of 160-pound boys whip a team loaded with 240-pound linemen, that's an upset in anybody's book. Upset or not, we won and everybody can take a little credit, because it was our boys that did it!

Alan King got off to a slow start against Andalusia and caught some heat from the Elba coaches, but he just kept on going and pulled off some pretty big plays. Alan scrambled a couple of times and hit secondaries receivers to keep drives alive, and turned in one of his best games ever. Bobby Hall caught a big pass, recovered a fumble and made some big tackles in his best game ever, and little Eddie Coleman didn't let being outweighed by almost 100-pounds keep him from beating his blocker and made 12 tackles. Don Horstead scored twice and again proved to be the "money man," while David Settle exemplified the spirit of the team by telling the coaches he was ready to play on offense and defense. If that's what it takes, it was a complete team effort, and just in case I missed someone, "All of ya'll played great!"

Not only have we got the best football team around, but we've also got one of the best bands in the state! I went to try to watch the marching contest last Saturday, and folks, our band was as good as any around. Only 3 band made superior ratings in every category. Robert E. Lee, Enterprise and the Marching Tigers! I've always been busy running my mouth at halftime to watch the band closely, but they really are. Everything looked good, from the Flag Corps to the majorettes and from the Drum Major to the rifles. Our band sounded as good as any band there, and looked even better. The band now has received nothing but superior ratings for 10 straight years, and that streak may never end!

The local football scene had a few mild surprises last week, and here's what I jotted down:  
 \*\*\*Class 2A power Eclectic proved to be a little tougher than expected and upset Opp 9-8.  
 \*\*\*Zion Chapel's offense got shut-out in a 12-0 upset at the swamp in Coffee Springs.  
 \*\*\*Laverne lost a playoff berth when Fiorina knocked 'em off 20-6.  
 \*\*\*And, Evergreen won the Area 2 crown with a 28-0 win over Greenville.

Ye ole Polish Prognosticator hit on 26 of 34 picks last week, including Elba's win over Andalusia. The crystal ball is a little "iced over," but here goes....

## NEW BROCKTON VS. LONG

The Gamecocks have already proven themselves to be winners, and deserve a big crowd to support them. Big crowd or not, it won't matter, as Brockton goes to 9-11. New Brockton 21 Long 7.

## KINSTON VS. COFFEE SPRINGS

The Bulldogs are battered after a long season of close losses, while the Golden Bears only wish they had more games left. Kinston will drop another close one! Coffee Springs 20 Kinston 16.

## ZION CHAPEL VS. WICKSBURG

The Rebels battled hard last week in the loss to Coffee Springs, and must claim a win this week to have any hopes against Nottoway in the playoffs. There is hope! Zion Chapel 14 Wicksburg 6.

## OPP VS. ANDALUSIA

The Bulldogs lost a lot of steam last week, while Opp caught its second wind in spite of being upset. Andalusia lose 4 games in one season! I don't think so! Andalusia 20 Opp 17.

## Farris Wins Bass Tourney

The monthly tournament of the Po-Boy Bass Club was held on October 27 & 28 at West Point Lake. Due to recent change to cool weather fishing was expected to be tough. The excited anglers left Elba Saturday morning at 1:00 o'clock because the tournament started at 5:30. West Point Lake is a very beautiful, productive lake as far as fishing is concerned, therefore, each fisherman was looking forward to the day.

At the end of the first day of fishing, Jerry Johnson was in the lead with Mike Farris in hot pursuit. Each fisherman settled down to rest and plan strategy for the next day. Fishing started early on the

second day and when the weigh in took place, Mike Farris had overcome his deficit from the first day. Mike was the winner with Jerry Johnson 2nd and Danny Baer, a new member third.

Mike now leads in points for Bassman of the Year with 47. Jerry Johnson is second with 40 and Bill Walden third with 32.

The Club is now actively seeking new members. Anyone interested in joining contact any of the following members: Mike Farris, Bill Walden, Jerry Johnson, Bo Sauls, Danny Sanders, Danny Baer, Kenneth Stokes, Ronnie Whitworth, Ricky Carlie.

## Elba's Coach Wood Feels Elba Has Best Team In Area

"I think we have the best team in the area, and if we get in the playoffs, we will represent the area well." Those were the words of

Elba's Coach Mack Wood, when asked about his Elba Tigers, who defeated Andalusia 21-13 last week to up their record to 9-1.

"We won," said Coach Wood, when asked about the game, "and it was a true team effort all the way. This team has class and pride, and I'm

prouder of them than any team I've ever coached. Offensively, I think we did as well as I thought we would, but that could be because Andalusia did

such a good job on defense. Alan King came through with a couple of super plays that kept drives alive, and Don Horstead came through in the clutch.

just like always. Their defense squeezed us down, but our offense didn't give up and hung in there. We scored 21 points, and when you score that many points on Andalusia, you do a good job."

On offense, Coach Wood praised Mason Morrow, Mark Davis, Glen Johnson, David Settle, Greg Hudson, Bobby Hall, Danny Basley, Alan King, Don Horstead, Bobby English, Chris English and Todd Westbrook. On defense, words of praise went to Stuart Bane, Eddie Coleman, Jamie Hudson, Doug Daniels, Mark Clark, Phil Hayes, Bobby Hall, Mike Harrelson, Chris English, Alan King and David Settle.

"I think we're better on defense than our players realize. Andalusia blew us out on their first and last touchdowns drives, but in between we were consistent and made 'em work for what they got. We had so many big plays on defense our boys didn't even realize it. We had big plays where a player would get whipped and then come back one play later and make a big play."

On defense, Elba's players are also among the top in all categories. Among linemen, the leader is Eddie Coleman with 72 tackles and 11 assists, while in second place is Troy's James Stringer with 35 tackles and 29 assists.

In seventh place is Doug Daniels with 29 tackles and 13 assists, while in eighth place is Stuart Bane with 25 tackles and 13 assists.

Troy's Paul Silver leads among linebackers with 83 tackles and 41 assists, while in the second spot is Andy's Robbie Ballard with 66 tackles and 19 assists. Elba's Mark Clark is in sixth place with 34 tackles and 13 assists.

Among defensive backs, Troy's Greg Barnett is the leader with 58 tackles and 21 assists. Todd Westbrook is seventh with 21 tackles and 9 assists, while Chris English is eighth with 20 tackles and 6 assists, and in tenth place is Mike Harrelson with 17 tackles and 9 assists.

"We took Monday off," said Wood, "while on Tuesday we worked up a sweat and lifted some weights. We went out in pads Wednesday, while today (Thursday) and Friday we'll go in in shorts. If we do want in the playoffs, we don't want to get caught short."

## Horstead, King And Coleman Remain Atop SAC Grid Stats

The South Alabama Conference has released its football statistics for the week ending October 26, and among the leaders are Elba's own trio of Don Horstead, Alan King and Eddie Coleman.

In rushing, Don Horstead leads with 1105 yards in 155 carries, followed in second place by Troy fullback Buddy Austin, with 1025 yards in 151 carries. Elba's Bobby English is in third place with 752 yards in 120 carries, while rounding out the "Top 5" are Troy's

Jerry Beverly (700 yards in 69 carries), and Pike County's Johnny Jones (639 yards in 79 carries).

In the scoring department, it's Don Horstead on top with 106 points on 17 touchdowns and two 2-point conversions.

Teammate Alan King is second with 68 points, and his total includes 7 touchdowns, 19 extra points, 2 two-point conversions, and 1 field goal. Troy's Buddy Austin is third with 67 with 4 interceptions, for 553 yards, while in third place is Opp's Louie Grimes with 31 of 68 for 462 yards.

Andy's Lee Perry is the leading receiver with 14 catches for 248 yards, followed in second place by Elba's Chris English with 11 catches for 232 yards. In seventh place is Todd Westbrook with 9 catches for 128 yards, while in the tenth slot is Bobby Hall with 6 catches for 68 yards.

Opp's Jeff Waller is the conference's top punter with a 37.1-yard average, followed in second place by Alan King 35.1-yard average.

On defense, Elba's players are also among the top in all categories. Among linemen, the leader is Eddie Coleman with 72 tackles and 11 assists, while in second place is Troy's James Stringer with 35 tackles and 29 assists.

In seventh place is Doug Daniels with 29 tackles and 13 assists, while in eighth place is Stuart Bane with 25 tackles and 13 assists.

Troy's Paul Silver leads among linebackers with 83 tackles and 41 assists, while in the second spot is Andy's Robbie Ballard with 66 tackles and 19 assists. Elba's Mark Clark is in sixth place with 34 tackles and 13 assists.

Among defensive backs, Troy's Greg Barnett is the leader with 58 tackles and 21 assists. Todd Westbrook is seventh with 21 tackles and 9 assists, while Chris English is eighth with 20 tackles and 6 assists, and in tenth place is Mike Harrelson with 17 tackles and 9 assists.

## Elba Playoff Hopes On The Line In Opp - Andalusia Matchup

The Area 3 playoff picture is clear - If Opp defeats Andalusia, the Bobcats go to State. If Andalusia defeats Opp, the Elba Tigers will be in the playoffs for the first time ever!

There has been a lot of confusion about the playoffs, but the method of breaking ties

is covered in the A.H.S.A.A. Fall Sports book.

The first tie-breaker is: (A) - If either team has defeated the other in a regular season play, the winner will be the champion. If Andalusia defeats Opp, Elba and Troy will be tied in the area with 4-1

records. Elba defeated Troy 24-20, so Elba would be declared champions.

Should Opp win, there would be a 3-team deadlock, with Elba, Troy and Opp all posting 4-1 records. Tie breaker (B) would be used, and it states:

The teams whose opponents

it defeated earned more victories over teams in your class will be declared Area champions. This means that you get all the wins of the teams you beat, against 3A opponents. Using this method, Elba would be the champion. Tie breaker (B) would be used, and it states:

The teams whose opponents

## Kinston Bulldogs Host Coffee Springs In Thursday Night Clash

The Kinston Bulldogs wrap up their initial season under Coach Rick Rainer this Thursday night when they host Coffee Springs, and judging from the Bulldogs' injury list, the season is ending none too soon!

Four key starters will miss the season finale with injuries, including quarterback Darryl

Wilkinson, who led the state in passing early in the season. Wilkinson is sidelined with a neck injury, and will be joined on the sidelines by Johnny Wiggins (damaged knee), Roger Harisson (separated shoulder) and Larry Hattaway (head injury).

"We've got a lot of physical problems," said Coach

Rainer, "but I feel like our boys will just bow up and do the best they can. I have sent Coffee Springs play, and they have a good, wide-open football team. They've passed the ball a lot in recent weeks, but I don't know why, because they've got three good running backs and a good quarterback. For us to win, we'll have to stop the pass. I feel like we can handle their running game, but to win, we must stop the pass and keep them from making it easy for them. We don't have a passing attack any more, so we'll just have to run right at 'em and control the tempo of the game."

When asked about last

week's loss to the New Brockton Gamecocks, Coach Rainer reported, "We played 'em a good game, but gave up the big play and lost some crucial fumbles. We ran the ball well against Brockton, but couldn't pass and it hurt our offense. We gave up some big plays, a long kick-off return and two long runs from scrimmage; but, besides that we did a good job. Our defense took their option away and held them to around 200 yards running, while we rushed for 207 yards. Our offense moved the ball in the second half, and were on the 1-inch line when the game ended. It wasn't as bad a game as the score indicates."

When asked about last

## NEWS OF INTEREST

### NEWS from your PHARMACIST

BY: KRIS SCARBOROUGH

The proper treatment for a sprained ankle is to get off the ankle as soon as possible and stay off. Walking or standing will likely aggravate the condition. An ice pack should be applied to the ankle as soon as possible. This ice pack will help prevent swelling.

Be sure to see your family doctor if the sprain is severe. There is the possibility that you may have broken some of the tiny blood vessels or even fractured a bone. The doctor may have to X-ray the injured ankle before being able to make a final determination concerning the severity of the injury.

The shelves of our pharmacy are well-packed with first aid supplies including ice packs. Allow us to serve your every pharmaceutical need. We compound prescriptions accurately and swiftly.

**HOUSEHOLD HINT:**

### Peanut Comment Due By Nov. 15

Robert English, Chairperson of the Coffee County Agricultural Stabilization and Conservation (ASC) Committee, reminds farmers and other

interested persons that comments on acreage allotments and poundage quotas for the 1980 peanut program must be received by November 15 to be considered.

Written comments should be addressed to the Director, Price Support and Loan Division, U. S. Department of Agriculture, ASCS, Room 3741, South Building, P. O. Box 2415, Washington, D. C. 20515.

Legally, the national acreage allotment must be at least 1,614,000 acres and the poundage quota at least 3,032 million pounds, according to

English. "Farmers should include suggestions and recommendations for the allotment and poundage quota and the apportionment of such allotment to States," he said.

The poundage quota will establish the quantity of peanuts eligible for loan. English said the Secretary of Agriculture could increase the quota if he determined that estimated requirements for domestic edible use and a reasonable carryover will require additional production.

More than 1053 farmers in the county participate in the ASCS peanut price support program.

### COFFEE CORRESPONDENCE With Sara Hutchinson

News Of Interest To The Women Of Coffee County

#### BREAKFAST

What has happened to breakfast? Did you know that one out of eight persons has stopped eating breakfast? Many others get by with just a cup of coffee and maybe a piece of toast or a sweet roll.

Reasons given for skipping breakfast are "I just don't have time," "I don't like eggs or cereal," "I'm trying to lose weight," and so on.

However, it doesn't take much time to pour and drink a glass of juice and eat a piece of cheese. There are many quickly prepared foods. Also you can have anything for breakfast. It doesn't have to be eggs and bacon or cereal and milk. Try cottage cheese, yogurt, a peanut butter sandwich on the leftovers from last night's dinner.

Skiping meals is not a good practice for losing weight. Many overweight people skip breakfast, eat a light lunch, then a heavy dinner and snack all evening! Studies with

animals indicate eating several small meals throughout the day puts on less weight than eating the same amount of food in one meal.

#### TIME-SAVING TIP

It seems like we never have time to slow down and take things easy here in Coffee County. One way we can help create time for enjoyable activities is by reducing the amount of time spent completing ordinary household chores.

For instance, cutting down on the amount of time spent in caring for clothing can aid in saving time for more important tasks. When drying clothes, set the dryer to stop before the clothes are thoroughly dry.

Hang them immediately to prevent wrinkling and to avoid extra pressing. When the washer is full, you can run it without sorting clothes. When you take clean clothes out of storage, remove wrinkles by placing the garments in the dryer set on the air dry setting.

Arrange a once-a-week or a once-a-month trip to the shoe repairman and/or dry cleaner. Assign one family member per trip to be responsible for the whole family's load. An extra hamper for dry-cleaning or worn shoes prevents searching for clothes that need to be cleaned or repaired.

#### PLANT SPRING BULBS NOW

Spring in our county is symbolized by beautiful flowers. Even though winter has not yet arrived, now is the time to begin preparing for spring if you plan to plant spring flowering bulbs.

Success with spring bulbs depends largely on the selection of good, healthy quality bulbs. Second-rate or bargain bulbs may produce second-rate flowers and first-rate disappointments.

Good, firm, plump bulbs should produce flowers the first season after planting since the flower buds are already formed when the bulbs are purchased.

Keep bulbs confined to a limited area for the most striking display of color. Do not scatter a few bulbs over a large lawn area.

### Ariton Joins Clio Chitlin Fest

Gene Sauls, President of Ariton Tula-hatchee Association announced today that Ariton will forego its annual Fall Trade Festival to participate in the Alabama Chitlin Jamboree on November 17, 1979 at Clio, Alabama.

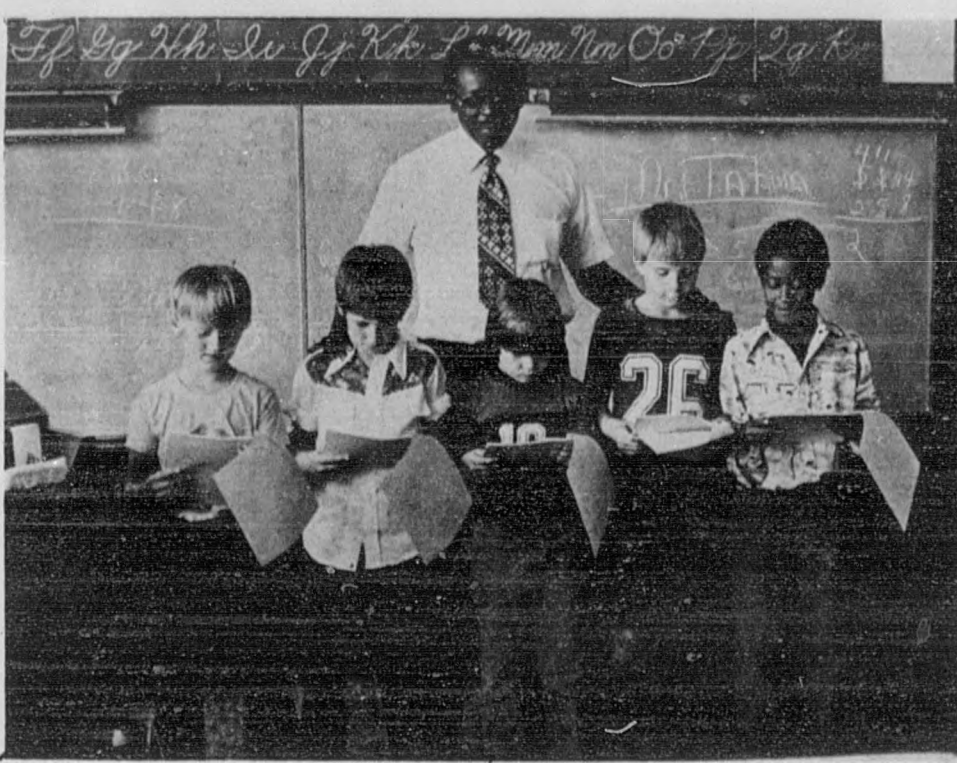

"We are delighted to support our sister city in such a defensible endeavor," Mr. Sauls said.

"Our past Fall Festivals have been very successful, attended by thousands, but when our members learned of the Clio offering, we unanimously voted to partake. The only note of caution was expressed by George

Trawick, local lawyer. "Chitlins appear habit-forming," he said.

"Those who have not developed a tolerance for them should perhaps confine their eating to the many other good things promised, such as baked ham, smoked pork chops, and sweet potatoes. The Surgeon General has advised that these are good for your health, taken in moderation."

Details of the November 17 event can be obtained from the Clio City Hall, phone 397-4402 or any Ruritan member.

Members of the Three Seasons Study Club work on various handmade goods and crafts in preparation for annual Christmas Bazaar and Bake Sale which will be on Saturday, November 17, 1979, from 9 a.m. until 1 p.m. The Bazaar will be held in the Educational Building of the United Methodist Church in Elba.

### 4-H Is Big In Coffee County

October was big for boys and girls in Coffee County. 4-H was organized for the 1979-80 school year with over 2,000 4-H'ers enrolled in its 4-H program.

Not only does 4-H meet in the schools, but there are many out-of-school clubs. Some examples are the St. Luke Club in Enterprise, New Brockton Highlighters, and the Elba Action 4-H Club. There are also many special interest clubs for Coffee County young people. These include the 4-H Beef Club, 4-H Horse Club, the 4-H Swine Club, and the Livestock and Meat Judging Team.

While 4-H'ers were registering for 4-H, they were also selecting project areas to work in. Project areas include cooking, sewing, recreation, beef, swine, photography, woodworking and many others.

4-H work in these project areas can win trips and scholarships for their project work. Donna Carrol of New Brockton, who just won a trip to Chicago, is just one example that project work pays off.

Project areas are not the only thing that 4-H'ers get to participate in. There are in-school contests such as elementary baking, photography, poster art and wood-working, etc. Also, 4-H involves county contests where county winners go to Troy to state competition at Auburn University. There are over thirty-one contests throughout the year for 4-H'ers to participate in. This past year Coffee County took twenty-four 4-H

county winners to Troy and returned with sixteen district winners. As you can see with over fifty-nine 4-H clubs and 2,000 members, 4-H is an important part of Coffee County. Dealing

with boys and girls from ages 9-19 our motto is "Make the Best Better." For more information on 4-H contact Jack Tatum or Angela Hughes at the County Extension Office in New Brockton.

### Here's the quick way to get started in a career.

The "quick way" to get started on a career is through Army Reserve job training. A few short months from now you could be earning good money day in and day out. The service pay for the 16 hours a month and two weeks Annual Training you put in in one of these fields:

- Transportation • Law Enforcement • Auto Repair
- Food Service • Communications • Medicine
- Finance • Personnel • X-Ray Technician
- Pharmacy • Carpentry

If you qualify and your local unit has the opening you want, this could be the smartest move you'll ever make.

Brantley's Coach Paul Wallace bends over to talk with qb Rex Hall (10).

### FISHIN' TIPS

from...Tom Mann

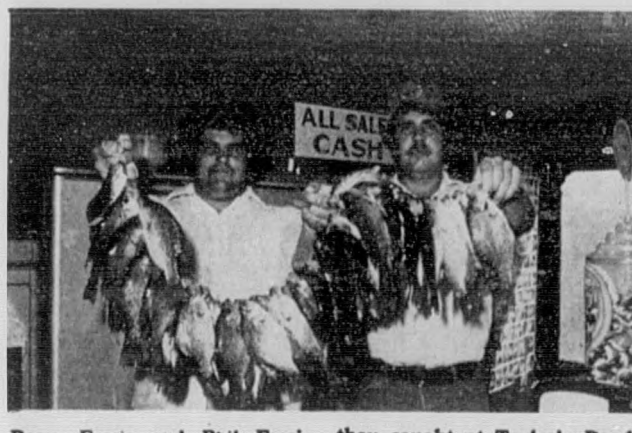

You read a lot about the need to teach youngsters fishing to teach them a sport that will last throughout a lifetime. Great, do it. But, I recommend that you also take an older fishing.

In neighborhoods, refuge areas, old folk homes, hospitals, maybe near where you live, there are senior citizens who would love to learn how to fish. Seek them out and teach them simple ways to catch fish. It can be one of the most rewarding experiences imaginable.

Some of these fine folks have spent a lifetime working and never had time to fish. Now that they do have the time, there is no more enjoyable or rewarding activity than catching and eating fish.

If they can't afford fishing tackle, get together a few fishing buddies and each put a few bucks in a kitty. Talk to the local tackle dealer and won't give you a break on prices for such a worthy cause. Game poles are a good starter outfit for the less active. Observe their joy as they catch fish, teach them how to clean and cook fish, and you'll know the warmth of sharing.

HERE'S TOM'S CLOSING TIP: Chit so loved fishermen that He chose four apostles, His Twelve Apostles. That's a good enough recommendation for me. I'm goin' fishin' right now!

Barry Farris and Phil Farris they caught at Taylor's Pond. hold 20 pounds of crappie. Picture by The Elba Bait Shop.

The Brantley Bulldogs traveled to Straughn last Friday night and fumbled their way to a 13-7 loss to the 2A Straughn Tigers. The win upped Straughn's record to 4-5, while the loss dropped Brantley's slate to 2-7.

### Boat Registration Deadline Is

November 15

Marine Police Director William B. Garner reminded Alabama boat owners Thursday that November 15 is the cut-off date for operating boats not currently registered for 1980.

Garner also said that boat owners may re-register, transfer ownership or register new boats with the Judge of Probate or License Commissioner in the boat owner's home county.

The Marine Police Director pointed out that a new home study course, "Alabama Better Boating Course," is being received well by the boating fraternity. This is a home-study

course where the boater may study at home at his leisure with no time limit. The course is easy to read and understand.

Mail your request to receive this free course to the Marine Police Division in Montgomery. When you receive the lesson booklet, follow its instructions and become one of the better boaters in Alabama. Mail your request to the following address:

Marine Police Division  
Department of Conservation and Natural Resources  
756 Administrative Building  
64 North Union Street  
Montgomery, Alabama 36130

Brantley received the opening kick and moved to one first down before punting. Straughn's Jimmy Wilkerson took the punt on the Tigers' 25-yard line and galloped to the Brantley 35 before being tackled. Straughn came out passing, and needed only 3 plays to reach paydirt as quarterback Vic Bracewell hit on all 3 attempts. The touchdown came on a 16-yard pass from Bracewell to Jimmy Williamson, but the extra point failed, leaving Straughn with a 6-0 lead with 7:20 left in the opening stanza.

Touchdown! Brantley's Rickey Hall (60) reaches for the goaline as the Bulldogs score to cut Straughn's lead.

Harper ran the ball on 4 half, Straughn held on to a straight plays to get it to the 5-yard line, and Tommy McGaha carried it in from there as the Tigers pulled away. Sandy McVay kicked the p.a.t. to up Straughn's lead to 13-0 with 3:31 still left in the first quarter.

Brantley threatened late in the half and moved to the Straughn 36-yard line, but Terry Pease and Rickey Hall took turns running the ball, and it was Hall who passes fell incomplete. At the

Straughn received the second half kick, but fumbled when a Bulldog defender made a hard tackle, and Brantley's Willie Adams recovered at the Tigers' 27-yard line. The Dogs were now ready to play, and wasted no time in striking paydirt. Terry Pease and Rickey Hall took turns running the ball, and it was Hall who scored on a 2-yard run. Jay

Jay Foster kicked the extra point to cut Straughn's lead to 13-7 with 7:57 left in the third quarter. Brantley's Jason Maddox pounced on a Tiger fumble on Straughn's next possession, but managed only one first down before being stopped. The Bulldogs moved deep into Straughn territory late in the game, only to have a pass intercepted, and Straughn held on to post the win.
